**DETAILED ACTION**

***Response to Amendment***

1. The amendment filed on 01/13/05 has been entered and made of reference and to overcome the previously cited reference (s). Claims have been renumbered 1-15.

***Allowable Subject Matter***

2. Claims 1-15 are allowed.
3. The following is an examiner's statement of reasons for allowance: Claims 1-15 are allowable over the prior art of record because the Examiner found neither prior art cited in its entirety, nor based on the prior art, found any motivation to combine any of the said prior art which teaches an information processing apparatus capable of controlling read operation of an original image by a scanner via a scanner driver, comprising: determination means for comparing image data read by the scanner with specific image data representing a specific image to determine a matching degree; inquiry means for inquiring of a user whether or not to output, via a user interface, when it is determined that the read image data substantially matches the specific image data by said determination means; and means for encrypting and storing log information including the typed of specific image when an instruction to output is input via the user interface in response to the inquiry by said inquiry means, respectively, as set forth in Claims 1, 10, 14.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
